**January Award Winner**

Dear Odessa R7 Community,

I trust this message finds you well. As we navigate through the challenges presented by recent inclement weather, I want to express my gratitude for your understanding and flexibility. The unexpected snow days have disrupted our academic calendar, and I appreciate everyone's patience during this time.

I would like to inform you that the makeup dates for the missed school days will be discussed and finalized during the upcoming February Board of Education meeting. Following the meeting, a detailed announcement will be made, outlining the revised schedule to ensure minimal disruption to our students' learning experiences.

I hope that each of you is doing well and that we are collectively moving forward and getting back on track. Your resilience and cooperation during these unforeseen circumstances are truly commendable. Thank you for your ongoing support as we strive to provide the best possible education for our students.

Best regards,  
Jon W. Oetinger Ed.D.  
Superintendent
