Notes are taken and revisions are made to the parent and family engagement policy. The LEA explains to parents that the policy is available via the district and school websites after acceptance. We walk through how to find it on the website. In addition, we also remind families that it is in the student handbook that is reviewed by them at the beginning of the year. During open enrollment, all LEA families view and agree to the parent and family engagement policy.

Describe how the LEA distributes the LEA parent and family engagement policy to parents of participating children

The Parent and Family Engagement Policy is viewed and distributed to families on the online open enrollment. In addition, it is shared on the district and school website and in the school newsletter that is sent out in August.

Describe annual evaluation

A comprehensive annual meeting is held with key stakeholders: parents, administrators, and Title 1 teachers. Review and revisions are made to the following Title 1 plan components: LEA Parent Engagement Board Policy, School-Parent Compact, School Parent Engagement Policy, Title 1 School-wide Plan, and student achievement data. Student achievement data (APR when applicable, state assessment scores when applicable, and local reading diagnostic assessment scores) are reviewed for comment and input. In 2025-2026, the state assessment data will be reviewed and compared to 2024-2025 to analyze any major differences.

As part of the annual evaluation of the content and effectiveness of the parent and family engagement policy, the LEA identifies;

- ☒ Barriers to greater participation by parents of participating children (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background)

Describe method(s) for identifying barriers

Our district has a growing population of families that have limited English Proficiency. Our EL population grew 7 families just last school year, and we identified a challenge with communication with students and families. So, providing Bi-lingual interpretation during the annual evaluation. Parent/guardians are also provided materials in hard copy and in their native language.

We also have a high percent of families who are economically disadvantaged. Many without vehicles, so we offer a virtual meeting to overcome the barriers. This barrier was identified from percentages attended at open house and parent teacher conferences. We send hard copies home with students so they are able to have access.

- ☒ The needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers

Describe method(s) for identifying needs

Parent surveys are sent out annually. They are sent in both a hard copy for home and an electronic survey to meet the varying needs of families. Parents are communicated with regularly through text cast, emails, newsletters, conferences, and phone calls. Regular achievement reports are sent home as well.

- ☒ Strategies to support successful school and family interactions

Describe method(s) for identifying strategies

During the annual comprehensive meeting, strategies are identified to support successful school and family interactions and are included in the LEA or school parent engagement plans.

- ☒ The LEA will use the findings of the annual evaluation of the parent and family engagement policy to design evidence-based strategies for more effective parental involvement, and to revise, if necessary, the parent and family engagement policy. *Section 1116 (a)(2)(E)*
- ☒ The LEA will involve parents in the parent and family engagement activities of the Title I served schools (which may include establishing a parent advisory board for the purpose of developing, revising, and reviewing the parent and family engagement policy.) *Section 1116 (a)(2)(F)*
