January 2024

OMS Students, Families, and Staff,

We are excited to start second semester! Students are now eating breakfast back in the cafeteria instead of the classrooms. The teachers LOVE not having syrup spills in the room! The students enjoy visiting with their peers from other classes while enjoying their breakfast. They have done a great job following our morning procedures: breakfast, locker, then class.

Students will be taking their second iReady tests in ELA and math, then comparing their score to their first score. We are looking forward to seeing the growth our students have achieved!

Yours in Education,

Mrs. Malizzi.
